Redevelopment Plan Area

The subject site was added to the Downtown Redevelopment Area on 05/17/06 as part of "Expansion Area A." It has an LI/R (Industrial) land use designation within the Redevelopment Area. No special standards apply to the subject off-premise sign as a result of its inclusion in the Redevelopment Area.

ANALYSIS

This is the fourth required review since the initial approval on 08/20/03 for the Special Use Permit (SUP-2203). Since that time, the applicant has made progress in meeting the conditions of approval placed by the initial entitlement request and a required review that had additional conditions. Below are the Conditions of Approval particular to Special Use Permit (SUP-2203):

1. This Special Use Permit shall expire two years from the date of final approval, unless it is exercised or an Extension of Time is granted by the City Council.
2. Add slats to the existing chain link fence along the west side of the property or provide some other acceptable screening material so that the disabled or wrecked vehicles are screened from the adjacent street.

Conditions of Approval particular to Required Review (RQR-6122) of Special Use Permit (SUP-2203):

1. No razor wire shall be allowed at any time. Horizontal security wires permissible subject to administrative site plan approval.
2. No disabled cars shall be parked on the outside of the screened yard.

FINDINGS

Staff has confirmed compliance with all conditions of approval for the approved Special Use Permit (SUP-2203) and the additional conditions placed by the subsequent Required Review (RQR-6122) during a field check on 05/23/08. The disabled cars are located at the rear of the garage within the screened area, the chain link fence is outfitted with screening material, and there is no barbed or razor wire along the rear property fence. The Special Use Permit was exercised on 04/20/04 with the issuance of business license #G03-02309. Staff finds that the applicant has met the conditions of approval for the Special Use Permit (SUP-2203) and the subsequent reviews; therefore, staff recommends final approval of this review.
